Erick Carrasco

Estudiante en Universidad Técnica de Ambato
Ambato, Tungurahua, Ecuador

Extracto

As a software developer with over 3 years of experience in a variety of programming languages and frameworks, I am confident in my ability to deliver high-quality software solutions. Throughout my career, I have worked on a range of projects, from small websites to medium-scale applications, and have consistently demonstrated my ability to analyze requirements, design effective solutions, and develop, test, and deploy reliable code.

In addition to my technical skills, I am a strong communicator and work well in both team environments and as an independent contributor. I am comfortable working with clients and stakeholders to understand their needs and am adept at explaining technical concepts in a way that is easy to understand.

I am excited about the opportunity to apply my skills and experience to the role of software developer and am confident that I can make a valuable contribution to your team.

Experiencia

Empresa Eléctrica Ambato

Programador full stack

junio de 2022 - diciembre de 2022 (7 meses)

Ambato, Tungurahua, Ecuador

I worked as an intern developing a full stack app in Java with Spring Boot and Angular for the frontend
